

**NEW EXIT  
MONGOLIA**  
together for a new opportunity

**COMPREHENSIVE MINING EQUIPMENT**

# **SOLUTIONS**

**SUPPLY | RENTAL | MAINTENANCE | COATING**

**2025**

# **"New Exit Mongolia" LLC**

**Established in 2004**

**Our company specializes in the supply and maintenance of mining equipment, with a particular focus on protective coating services.**

**OVER 20 YEARS**

The background of the entire page is a faded, high-angle photograph of a mining operation. It shows large pieces of heavy machinery, including what appears to be a drilling rig or a large crane structure on the left, and various conveyor systems and smaller vehicles in the center and right. The terrain is rugged and hilly. The image is overlaid with a semi-transparent dark red filter, which is used to create the background for the text.

**Since 2013**

# **MINING EQUIPMENT**

**PROTECTIVE LINING
